

Golden Triangle Moose Tracks

October 26th, Changed Our Moose Forever

As everyone knows, the historic rains occurring in Eustis and Mount Dora on the 26th of October, caused a localized flood in the block where Golden Triangle Moose is located. Our old building, with its loose doors, gaps in the metal and various other weak spots, succumbed to over a foot of water throughout the building. Everything at floor level was affected in some fashion, with considerable damage to the drywall and floors. Lost were coolers, air conditioning units, cabinetry and much much more. The damage is staggering and efforts have started to get things dried out and start the long process of rebuilding.

ServePro of Lake County to the Rescue

ServePro of Lake County stepped in quickly, despite being deluged with other calls, to help get the lodge dried out and ready for clean up. We can't thank these guys enough and if you ever need restoration, make them the first call.

The Loyal Order of Moose is a private organization. All activities and events referred to in this newsletter are available to members in good standing (active) and their qualified guests only.

The Lodge is Closed

It goes without saying, Golden Triangle Moose Lodge will be closed until further notice. We are in the early stages of evaluation and planning, but so far, everyone agrees—Golden Triangle will be back and better than ever.

Volunteers are needed immediately to help with cleanup, and donations are the fuel that will drive the rebuilding efforts. The lodge does have insurance, but it does not cover flood damage. FEMA and the SBA will not participate because the area has not been declared a disaster zone.

Please stop by and lend a hand—every effort helps. The same goes for donations; none are too small.

PayPal Donations Setup

A donation site has been setup, you can find on line <https://goldentrianglemoose.org> for anyone who wishes to contribute to the rebuilding process. Take note, The Moose is a 501(c)(8), therefore, donations are not tax deductible unless designated for the endowment or Moose Charities.

Lodge Meetings Will Be Held

Mortgage Financial Group has graciously offered their meeting space at no cost in order to facilitate our Lodge meetings. The location is 1100 E Alfred St. in Tavares. A big thanks to Mortgage Financial Group MFGLEND.COM
